

BUILDING PLACEMENT

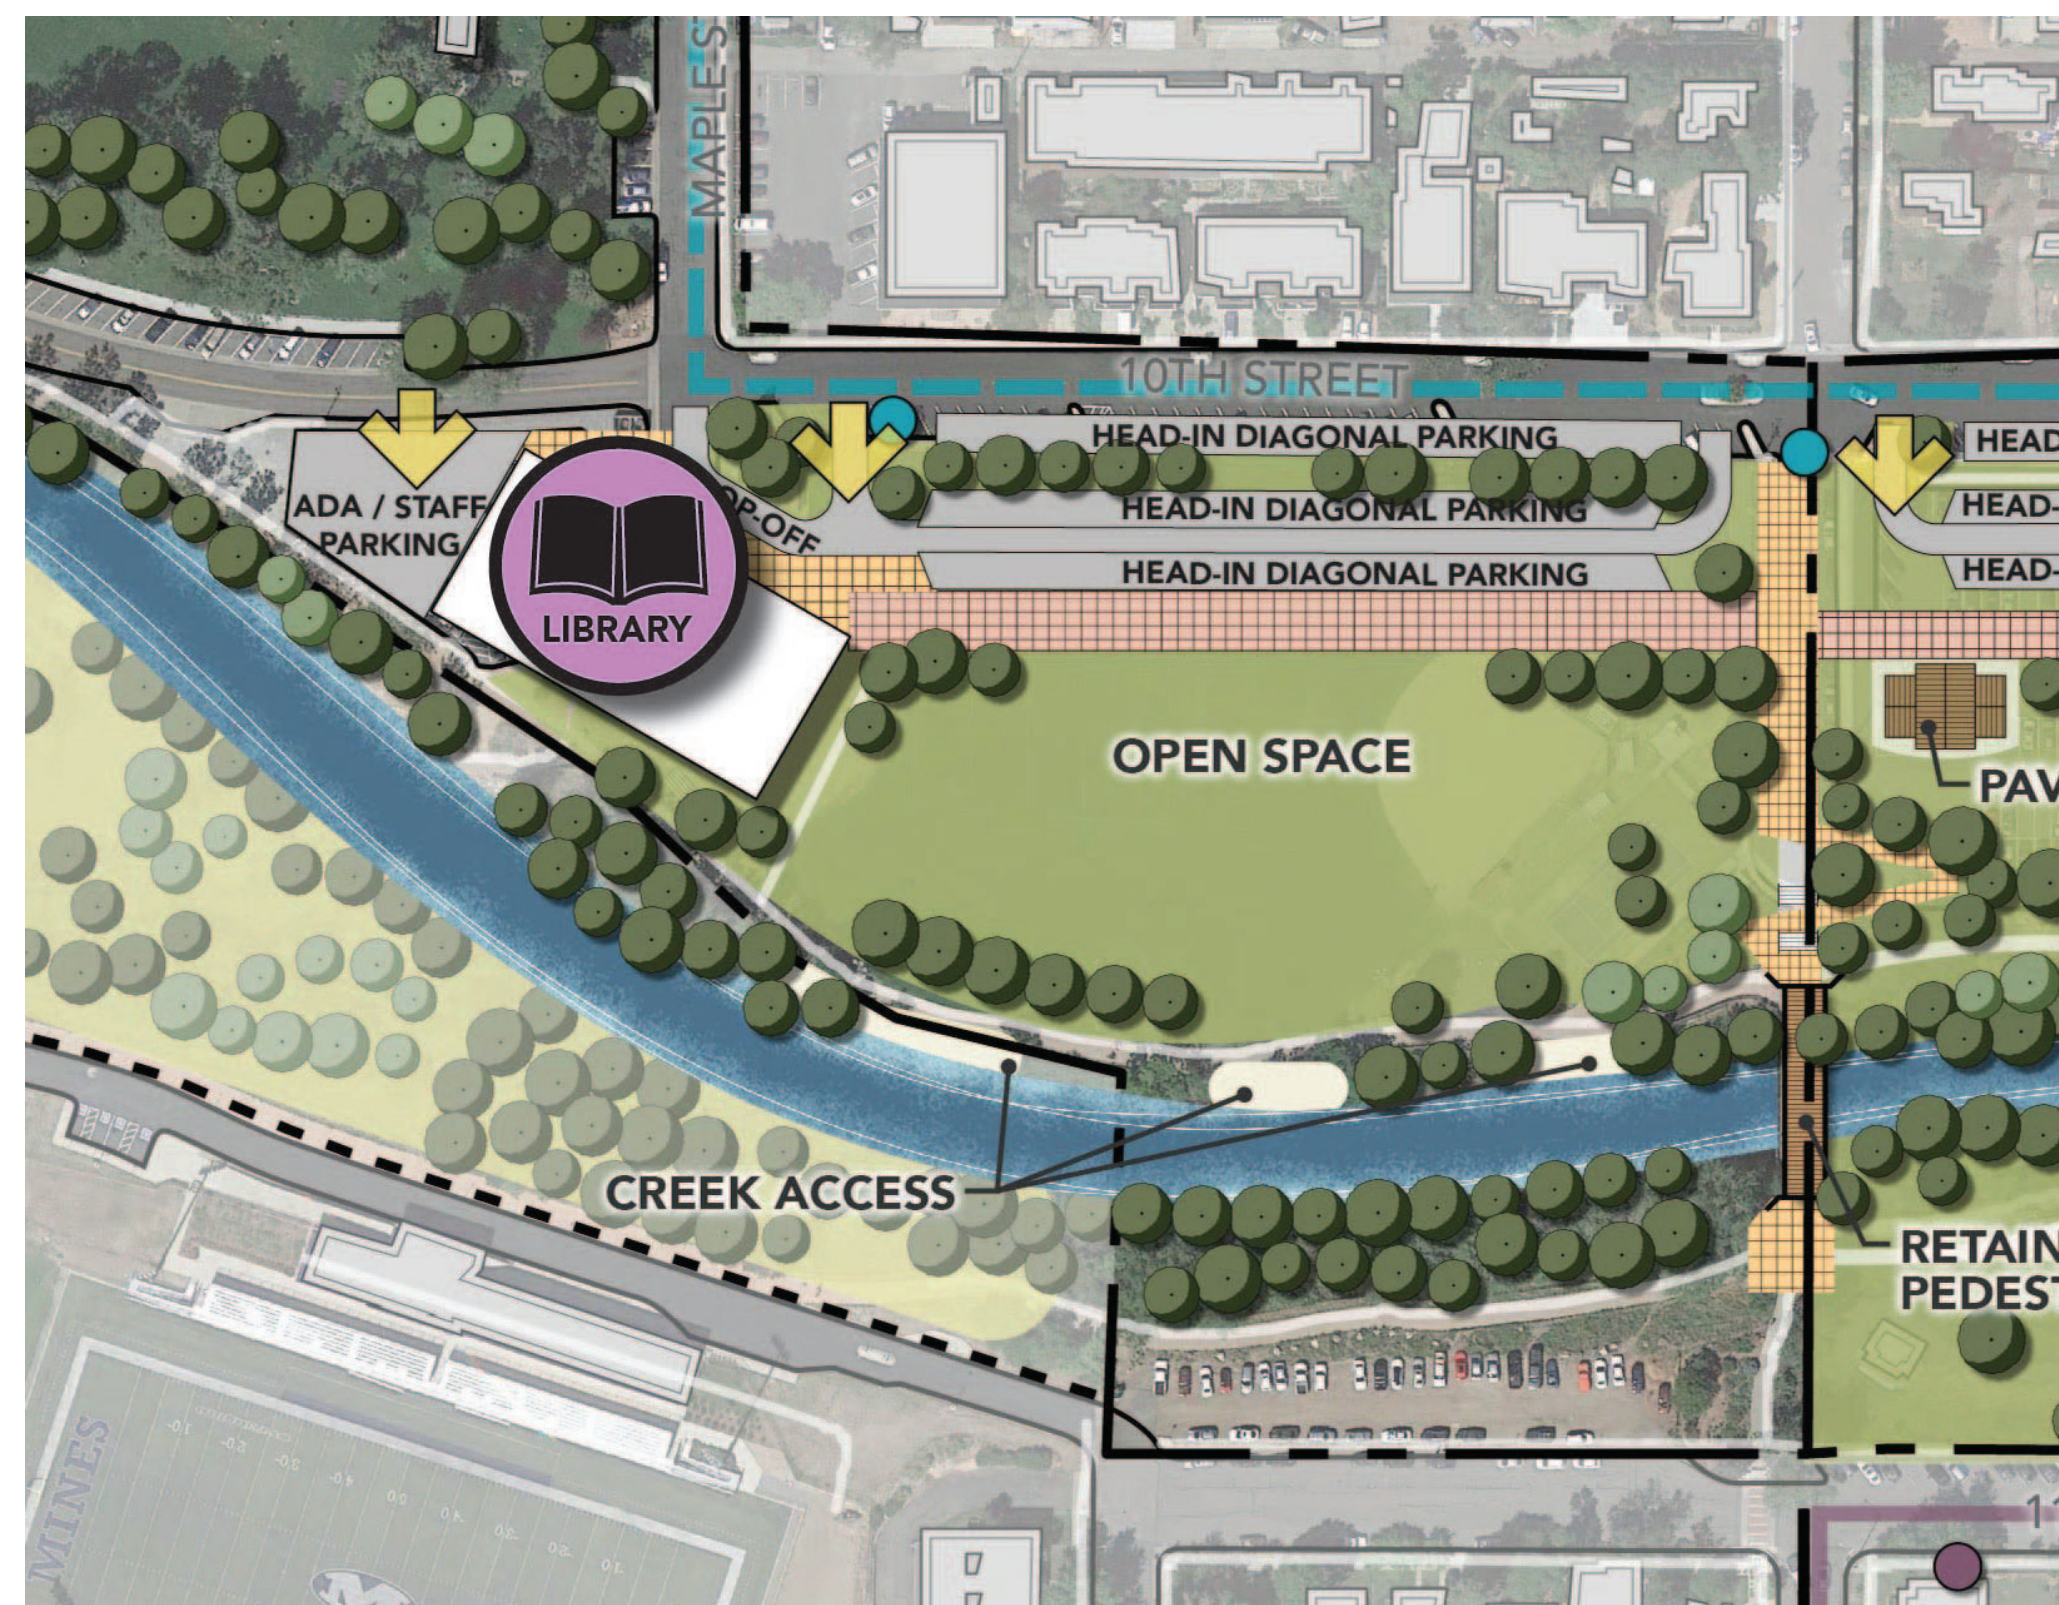

The Library, Fire Department, and Museum have the most flexibility in placement along the corridor.
Vote for your preferred placement of each of these buildings.

Library

Where would you prefer to place the new Library?

In the West Zone at Illinois Street, near the pedestrian bridge (see Concept 1 plan)

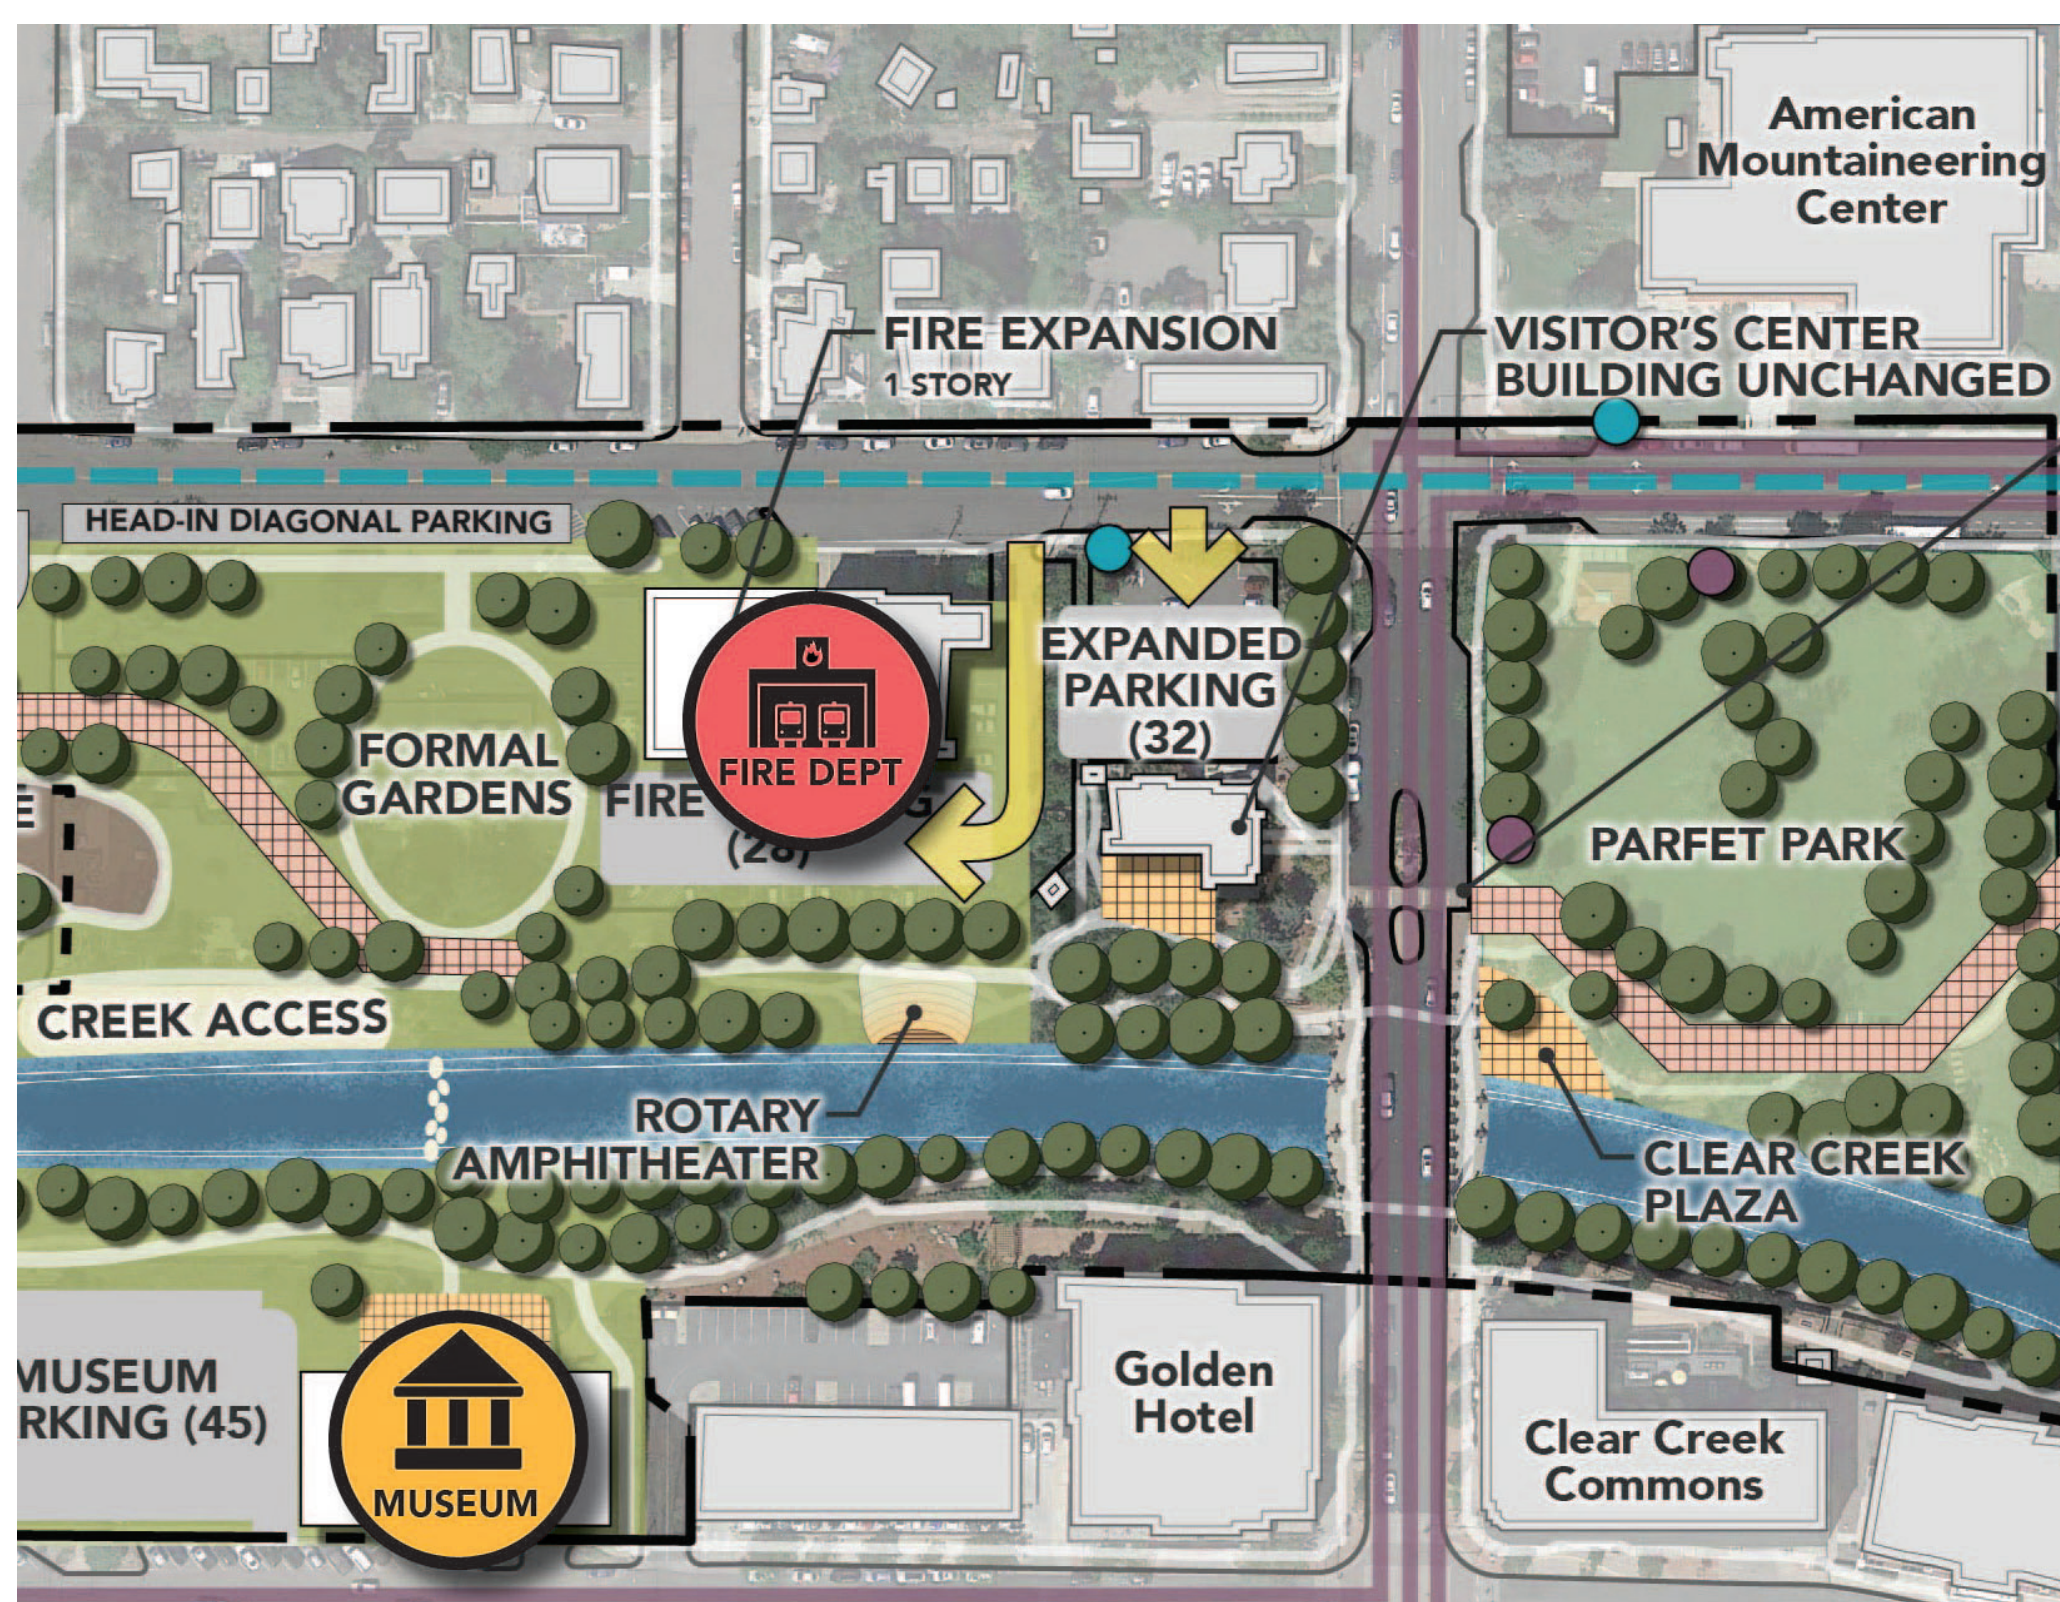

In the West Zone at Maple Street, near the Community Center (see Concept 2 plan)

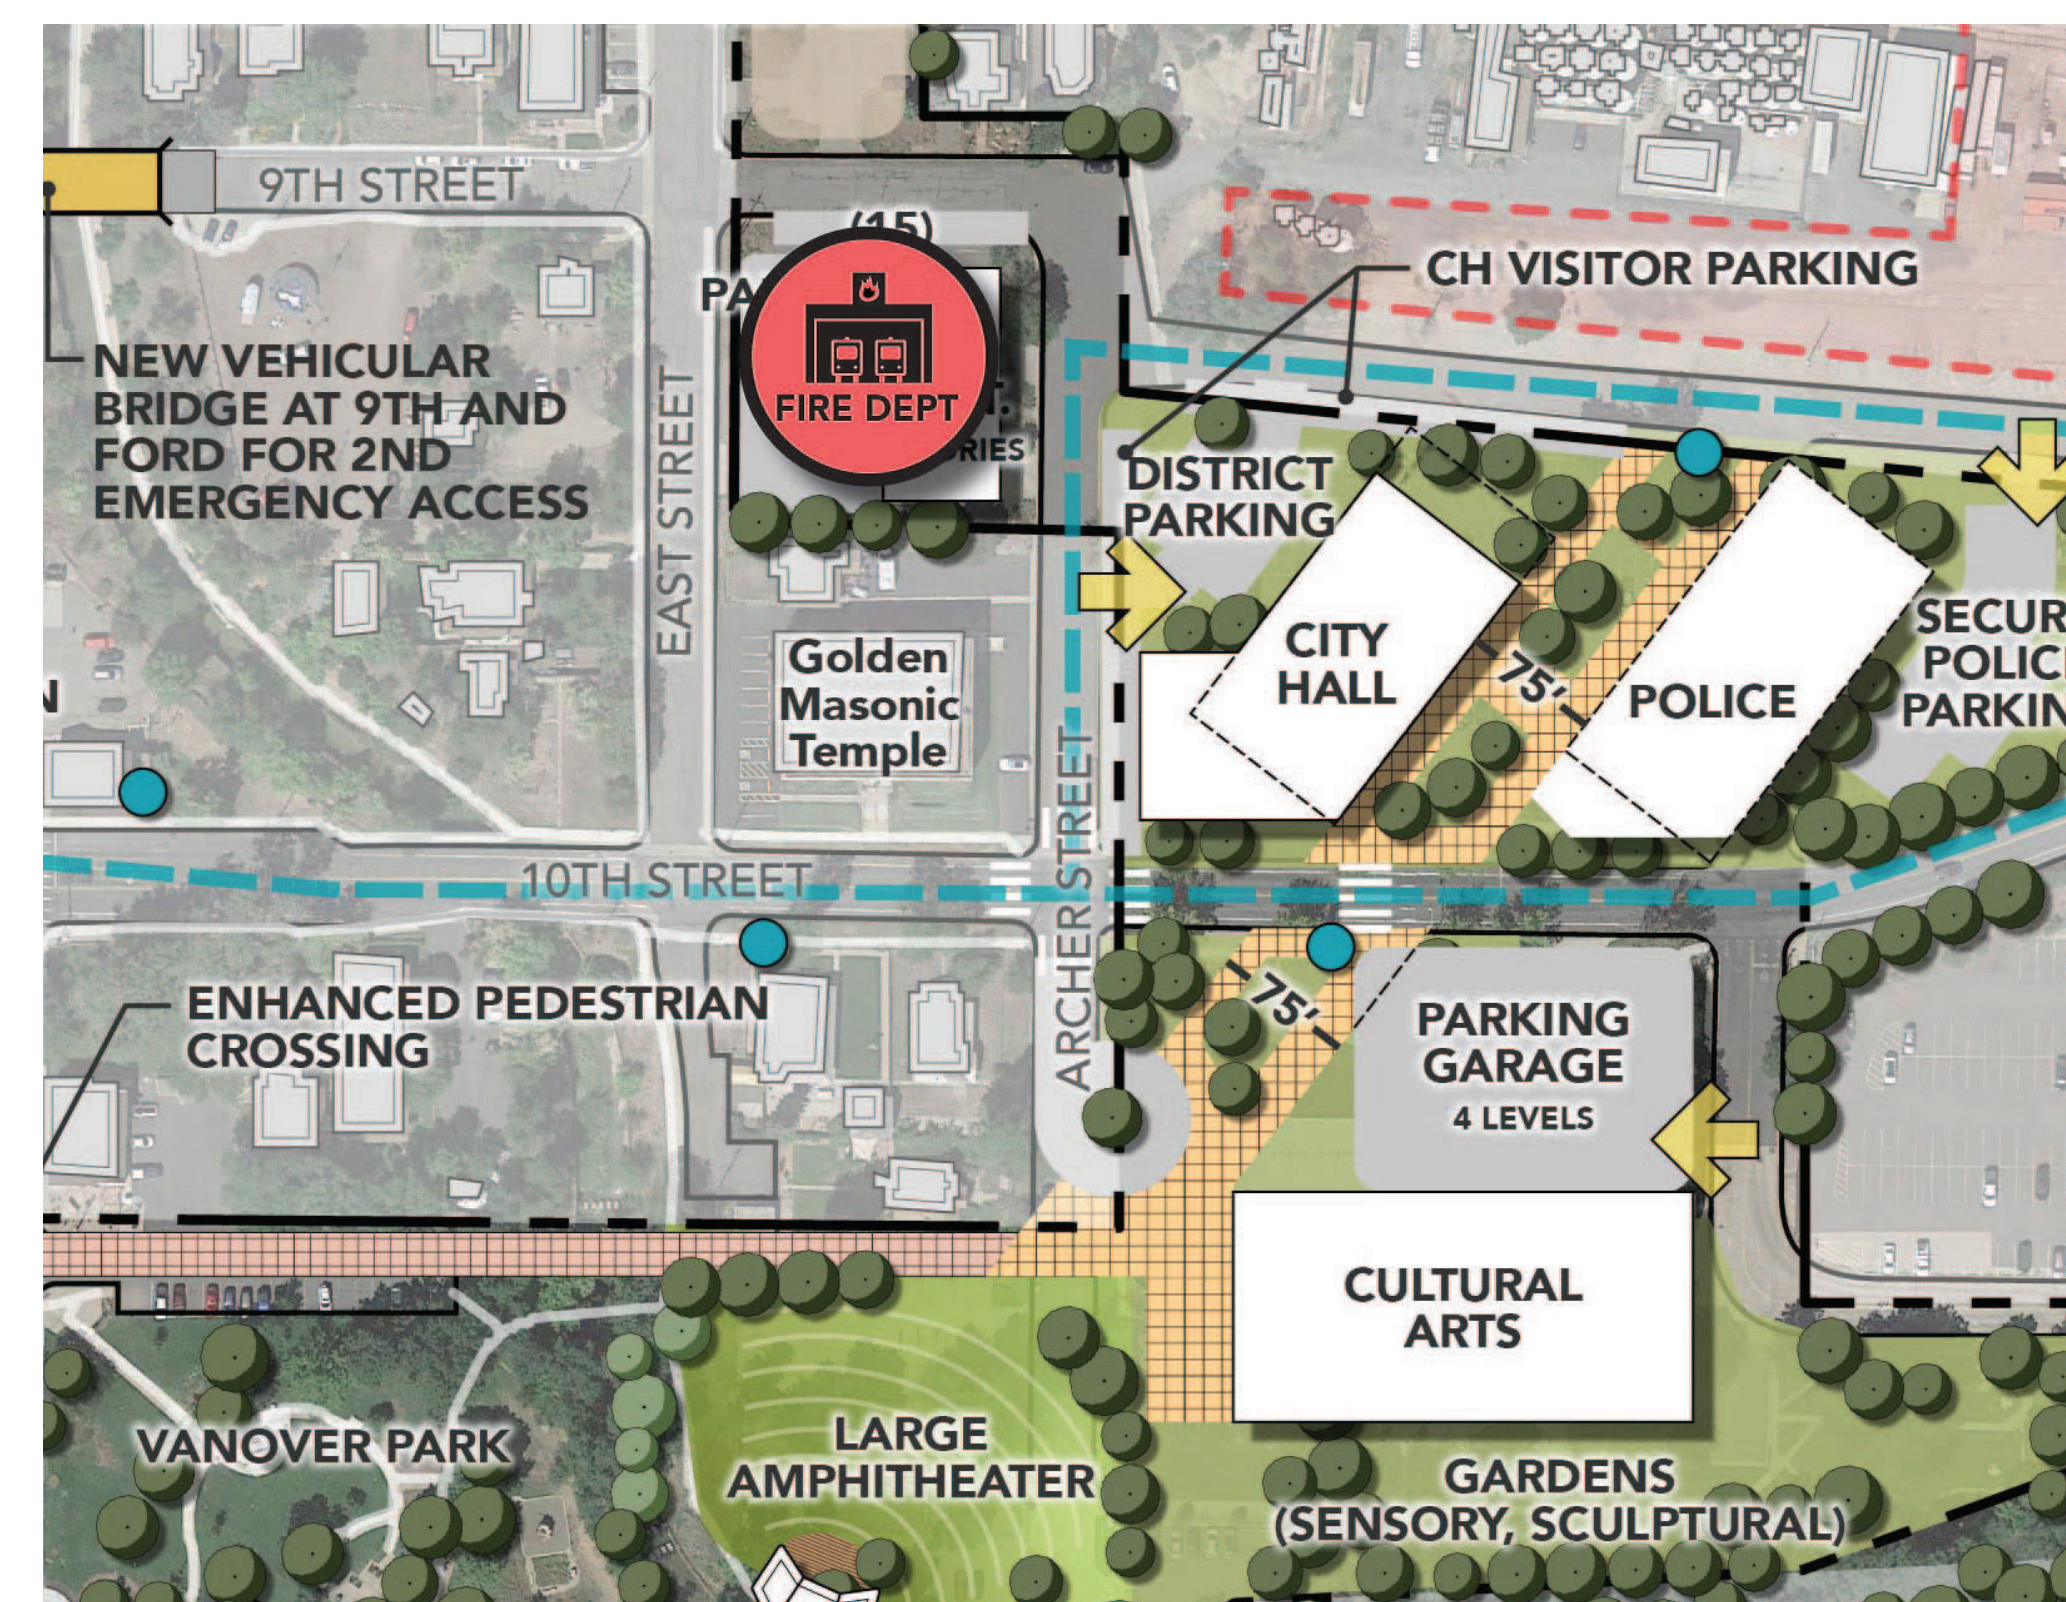

In the East Zone, near the new civic buildings (see Concept 3 plan)

Fire Department

Where would you prefer to place the Fire Department?

Keep the existing Fire Department in the Central Zone with expansion / improvements (see Concept 2 or Concept 3 plans)

In the East Zone at Archer Street, near the new civic buildings (see Concept 1 plan)

Museum

Where would you prefer to place the Museum?

Keep the existing Museum in the Central Zone with expansion / improvements (see Concept 3 plan)

In the Central Zone, south of Clear Creek in the History Park (see Concept 2 plan)

In the Central Zone at 10th Street, in place of the existing Fire Department (see Concept 1 plan)
You may only select this option if you placed the Fire Department in the East Zone.
