Key Priorities

Through our public efforts so far, we have gathered feedback from the community about key priorities for the future of the Heart of Golden along the Clear Creek corridor. Place a green dot on the priorities that you support, and a red dot on those that you do not.

New building development concentrated in the East Zone

Parking structure in the East Zone to support civic buildings in Downtown Golden

Open space network along creek corridor with largest open spaces concentrated in the Central / West Zone

Creekside amphitheater suitable for large events in the East Zone

Replace existing Lions Park baseball fields with open space or other recreation opportunities

Existing Parfet Park and Vanover Park uses to remain largely unchanged
