

## WHAT IS A COMPREHENSIVE PLAN?

The Comprehensive Plan is **an everyday guide that has integrated community input and best practices into a framework for how the community grows and changes over time.** The planning process has been guided by a focus on equitable growth and by the residents of Charlotte coming together to prioritize what is most important.

 The Charlotte Future 2040 Comprehensive Plan is a vision for the future of Charlotte.

 The Plan will help ensure a high quality of life for residents and an attractive city for employers and employees.

 Topics like equity, transportation, quality of life, economic development, jobs, affordable housing, health, safety, and sustainability are addressed.
